DYNAMIC GROUPS, DYNAMIC LEARNING

1st to 4th March, 9am – 5.30pm plus two evenings (1st and 3rd)

What creates a dynamic group?

What supports an effective, fun and successful learning environment?

The jigsaw puzzle of groups learning and working together becomes an adventure in Creative Facilitation, Interactive Learning Methods, Personal Empowerment and Skills Development.

A Creative Facilitation 4 Day Training Intensive specially for People Involved in Permaculture, Community Gardens, City Farms and Transition Towns Initiatives

This 4 day Training is usually offered for Facilitators, Teachers, Trainers, Group Leaders, Change Agents and People in Creative, Healing and Sustainability Industries who would like more skills, tools and confidence to work and play with groups. This course is offered specially on this occasion for Diploma of Permaculture students at ELTHAM College and located at CERES to make it possible for us to embrace the wider community and share Robin's special talents with all of you. Participants are eligible to apply for assessment* in two units of Diploma of Permaculture from this course.

CREATIVE COMMUNITY GOVERNANCE AND DECISION-MAKING WORKSHOP

8th March, 9am-5.30pm

A one day workshop designed to assist existing and newly establishing groups to develop good governance and decision making processes essential to the growth of a healthy group culture and happy human relations, vital to the long term success of any community project.

The following Goals and Outcomes of the day are envisaged:

- Look at the difference between Government and Governance and existing Organisational Structures - what works, what doesn't
- Use and explore a Tool box full of Creative Decision Making Processes and try some of them out so people have new ideas to take back to their groups
- Highlight and experiment with Creative Processes that help groups have Discussions, Meetings, Explore Information and Generate Ideas, Multiply Energy, Gather Information and have fun at the same time
- Feel Empowered in Groups - Understand what structures and elements work best for this
- Build Networks, Support Groups, Buddy Systems and Mentoring around 'Problem Solving', Group Work and Community Building
- Model Creative Decision Making
- Connect and share in an Interactive, Dynamic Group environment
- Apply the Principles and Ethics of Permaculture to Group Structure and Function
